

GD topics in SSB

The Group Discussion in SSB is the first task at SSB GTO tasks. Two GD's are conducted at a stretch, and the topic given for the first one is optional out of three, while the second one is compulsory. For the first GD three topics were given and we should discuss with our group to choose any one. While for the second one it is compulsory. The time given for each topic is approximately 15 to 20 minutes.

Also note that the second topic i.e. compulsory topic given are mostly from the current issues only. I am telling from my experience in SSB's. So try to have a broad knowledge in the current issues by keeping an eye in the news papers and see the debate going on at news channels.

Let us see some of the common topics for SSB.
